A: Yes, because we cannot rent out the hall on the same day to other renters.
3. Q: What is a PAL Insurance?  
A: **Party Alcohol Liability**. This insurance provides protection when lawsuits are brought against individuals, organizations or companies who host single/multi-day functions with alcohol service. Events with live entertainment OR sports **DO NOT** qualify for this policy. DJ's are not considered as live entertainment. This insurance is designed for Event hosts who are holding reception type events in a rented facility. A valid liquor permit or license must be in place for service of alcohol.
4. Q: If people are bringing their own alcohol and aren't using the bar or serving it, do they still require **PAL insurance**?  
A: Yes. Our Community Hall Insurance will be void if the renters do not have PAL insurance. For more information about PAL Insurance in Alberta please visit:
